

## Laminate

# Kaindl Aqua Pro Supreme

## Specifications:

Dimensional  
stability

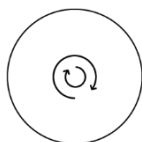

Slip  
resistant

Castor wheel  
resistant

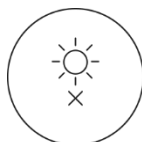

Thermal  
resistance

Long  
lasting

Stain  
resistant

Light  
fastness

|  |                                      |
|--|--------------------------------------|
| Level of use ISO 10874 -                     | 33                                   |
| Total thickness -                            | 8 mm                                 |
| Planks -                                     | 19.2 x 128.9 cm                      |
| Box planks -                                 | 9 pc/box, 2.23 m <sup>2</sup> /box   |
| Inflammability EN 13501-1 -                  | Cfl-S1                               |
| Critical Radiant Flux AS ISO 9239-1 : 2003 - | 8.4 kW/m <sup>2</sup>                |
| Abrasion resistance EN 13329 -               | AC 5                                 |
